International Day of Action:

No to the Wars, No to Austerity!

For the World We Want!

European and Mediterranean-region Dockworker unions, joined by other unions across the globe, have called for strikes, protests, and other solidarity actions globally for October 30th against the Gazan genocide, austerity, and attacks on immigrants at home, and FOR the new world we want.

Friday, October 30, 2 PM
Palantir Tech Office
620 Avenue of the Americas,
Manhattan

Endorsers: National Action Coalition, International Luxemburgist Network, United Front Committee for a Labor party, Stand Up for Democracy, Freedom Mavericks, Socialist Horizon, Green Party NJ, Freedom Socialist Party, Labor for Palestine, Martin and Gabriela Soto

For more info, call
347-961-0757

To win these demands we must fight and organize for a General Strike!

1. **Stop the Genocide, No Arms or Aid for Israel**
2. **End US Wars and Occupations, Dismantle the War Machine**
3. **Take Back What the Billionaires Have Stolen—No More Bailouts**
4. **Abolish Ice-- Equal Rights for All Who Live Here—End All Detentions and All Deportations**
5. **Universal Health Care**
6. **Free education, transportation, housing and free clean, sustainable energy FOR ALL**
7. **Sustainable, Socially Productive, Rewarding, Unionized Jobs With Just Wage. Twenty hours work for forty hours pay.**
8. **Workers' Control of AI; No More Data Centers; Strict environmental restrictions on Data Centers, Protections against AI mass surveillance**
9. **Recognize All Port Truckers as Employees, with Right to Unionize and Strike**
